

## WEEKLY REMINDERS:

### Period 8:

1. Well, this is it. I miss you already. You were the best junior class I've ever taught. I had so much fun because you were so smart and funny and perfect for me to have 8th period. I taught seniors all day and then I got to have YOU. And I always looked forward to it because you were fun! And cool! And, above all, interested. Thank you for a great year. I can't wait to do all the things with you next year. It will be a hoot!
2. Now--read Gatsby all period. Finish it by Friday. I hope to be able to pop in say hi and ask you questions. I love this book. LOVE LOVE LOVE IT! You have to, too. :)
3. If you actually see this, tell your classmates to check it out.
